The Electrical Safety Office is collecting your personal information in order to process your application for an electrical work licence/permit in accordance with the Electrical Safety Act 2002. Our office may be required to disclose your personal information to other Australian and New Zealand electrical regulators or as otherwise required by law. Your information will be disclosed to a third party contractor to print and send you your licence card, and licence renewal requests. This information may also be used to provide you with electrical safety updates, for statistical research, for auditing purposes, evaluation and reporting of our services. This includes publishing your licence details on the Electrical Safety Office online register.
